2016 Hut fact sheet

*Please note **hut fees are due 5 weeks prior to the hut weekend.**
Make cheques payable to “Burnley Mountaineering Club”.
If you cancel and I can not fill the place you will forfeit the hut fee.*

January 22/23, Weirside Hut Chapel Stile Lakes. **GR: NY323052**
We've been trying to get back here for years. Always popular, and with easy access to the hills and mountains. (Also includes a 'Burns Supper').

April 29 – May 2, Rhoscolyn Anglesey Wales. **GR: SH278752**
This is actually an outdoor holiday centre rather than a hut. We've been going for years, and is always in high demand. **Post Code LL65 2NQ**

June 3/4, Weirside Hut Chapel Stile. Lakes. **GR: NY323052**
We like it so much, (and we've missed it so much) so we're going twice this year again!

July 1/2, High House Lakes. **GR: NY235119**
Our favourite hut. Need we say any more!

August 26/27/28, Tan-Y-Garth. Wales. **GR: SH737567**
An old favourite of ours and fully justifies a 3 night stay in the Bank Holiday for best value. This hut has been greatly improved over the years, and improvement work is still on-going. Surrounded by deciduous woodland between Betws-Y-Coed and Capel Curig and a 10 minute brisk walk to the Tyn-Y-Coed pub. **Post Code LL24 0EB**

September 23/24, Little Langdale. Lakes. **GR: NY315029**

Ex-miner's cottage. Very small and compact but we love it!

November 25/26, High House Lakes. **GR: NY235119**
Our second visit this year. (Well, it is our favourite).

December 16/17, Carlton – Xmas hut N/Yorks **GR: NZ507044**
What can I say about this that hasn't already been said Christmas decorations, Christmas dinner, Christmas carols, a real fire in the lounge, fancy dress and cabaret! How do we do it?
Fancy dress theme for 2016 **RED - GREEN & GOLD.**
